

Parish Pastoral Council

Summary for November 15, 2016 Meeting

A regular meeting of the Pastoral Council was held on November 15, 2016. The council received updates on parish staffing and finances. The group discussed at length the mission of the church: *to make disciples of Jesus Christ by bringing people into a loving, personal relationship with God, living in the power of the Holy Spirit, and in communion with the Catholic Church.* While pastors, staff, and parishioners may change, this mission does not. The council and parishioners are encouraged to pray through parish issues/questions/considerations with this mission in mind.
