

Pastoral Parish Council

Summary for

May 22, 2018 Meeting

The Pastoral Council held its regularly scheduled meeting on May 20, 2018. The Council discussed the many facility updates taking place this spring/summer (carpet installation, fans in Sanctuary, lights in the parking lot, trees near the rectory, Old Office area remodeling) and the annual budget. The Council also discussed Family Formation's Distance Parish component, including the new website. Most of the meeting was spent discussing the lawsuit against the Archdiocese and the parish's response to this crisis (including our parish's monetary contribution of \$50,000 to the Survivor Fund). There was also discussion about the Member Registration procedure (no brunch required) and the Lenten Mission (consideration of moving outside of weeks in Lent after 2019). The meeting began and ended with prayer.
